**PAVING WORK ON INTERSTATE 89 IN LEBANON AND ENFIELD
WILL REQUIRE LANE RESTRICTIONS BETWEEN EXITS 17 AND 15**

The New Hampshire Department of Transportation announces paving work is scheduled to begin Monday, August 4, 2003 on Interstate 89 between Exits 17 and 15 in Lebanon and Enfield.

This work will require traffic to be reduced to a single lane from 6:00 am until 8:00 pm from August 4 through August 14. Speed limit reductions will also be in effect through the three-mile work zone.

Uneven lanes and sections of ground pavement may be present during overnight and wet weather periods.

Weather permitting, work is scheduled to begin in the southbound lanes on Monday, August 4 just north of Exit 17 in Lebanon. Northbound work is scheduled to begin on Wednesday, August 6 just north of Exit 15 in Enfield.

Pike Industries, Inc. of Belmont, New Hampshire is the general contractor for the project.
